FALL 2026

CHRISTENDOM COLLEGE'S CAREER & PROFESSIONAL DEVELOPMENT OFFICE PRESENTS

LIFE ON TAP

SEPTEMBER 2 – FUNDRAISERS

Seb Ghering ('23) majored in Philosophy. He has always had a heart for connecting with people and serving a mission bigger than himself. At Christendom, that showed up in his work as a Career Development Assistant with Mrs. Stephens, helping connect students with recruiters and employers, and as a Campus Ambassador, welcoming visitors to campus and forming lasting impressions. After graduation, he put that same drive to work for the pro-life cause, door knocking to educate voters. He then joined Dynamic Catholic, starting as a Development Associate in their Mission Team Call Center before being promoted to Team Leader. In the fall of 2025, he began serving as a Mission Impact Partner, or Major Gifts Officer, traveling across the country to share Dynamic Catholic's mission with supporters and stay connected with current donors. He lives in the Center of the Universe, that being Downtown Cincinnati.

Catherine Schmidt (‘24) majored in philosophy while attending Christendom. As a student, Catherine served as Secretary and Chairman of the Chester-Belloc Debate Society and continues to participate actively in debates. She acted in two Mystery Dinner Theatre productions, played intramurals, and enjoyed playing fiddle with friends. Her student job as a Phonathon Caller on the Advancement Team sparked a desire to work in philanthropy, and she has served as Christendom's mid-level officer since graduating. In her role, Catherine serves as a liaison between benefactors and the college, facilitating gifts and sharing the impact of support with donors. She also manages the student phonathon calling center and will assist in managing the mid-level officer team at Christendom. Catherine has found working in philanthropy impactful and fulfilling, and is excited to share her experience with the student body.

Life on Tap *is held in Old Chapel Hall from 7:00-9:00pm and is open only to members of the Christendom community. Snacks and beverages are provided.*
